ABOUT THE CONFERENCE

Coinciding with Western Australia's internationally renowned wildflower season, this national conference, presented in association with Perth's Karrakatta Club, offers an outstanding opportunity to learn, connect and celebrate the spirit of creativity, innovation and renewal.

Conference Venue: Anzac House, 28 St George's Terrace, Perth

Designed to inspire and invigorate, the AALC conference features an engaging program, with presentations ranging from classical music performance to scientific exploration, travel, heritage, conservation of the natural environment and developing compassionate communities. The Melbourne Lyceum Club Choir will be an entertainment highlight.

Other Attractions

Attendees can look forward to socialising and being entertained at the Welcome Cocktail Party (5.30 pm to 7.30 pm on 15 September) at His Majesty's Theatre and the Conference Dinner at Anzac House.

Mahler 8 Gala

Seating has been reserved for conference attendees wishing to purchase tickets to the Mahler 8 Gala on Saturday 14 September, Perth Concert Hall. This monumental Symphony, performed for the first time in WA, has been described as a "once in a generation" concert experience calling for huge orchestral forces, massed choirs and a host of exceptional soloists.

The concert is presented by West Australian Symphony Orchestra in association with Australian National Academy of Music,

Aquinas College Schola Cantorum, WA Opera Chorus, UWA Symphonic Chorus and Voyces.

Regional Wildflower Tour

An escorted day trip by coach through the scenic Swan Valley north-east of Perth and beyond to experience the Spring wildflower displays is available for booking. With morning tea and lunch included, this regional tour (8.30 am - 5.00 pm on 18 September) will be hosted by Stephen Scourfield (author, journalist, travel editor and photographer).

Walking tours are also available to sites of interest within the Perth CBD, including Elizabeth Quay on the Swan River waterfront, and in Kings Park for the annual Spring festival celebrating the extraordinary diversity of WA flora.
